

DST Nano Mission- Postdoctoral Fellowship in Nano Sciences and Technology

The Fellowship is awarded under the Nano Science and Technology initiatives of the Department of Science & Technology, Government of India, and Co-ordinated by Jawaharlal Nehru Centre for Advanced Scientific Research. The Fellowship is aimed to identify motivated young researchers and provide them support for conducting research in frontier areas of Nano Science and Technology. The applicants can avail of this Post-doctoral Fellowship in any of the recognized academic institutions, national laboratories, and other recognized R&D institutions in India. The host institution(s) will provide necessary administrative and infrastructural support.

Applications are invited for the award of DST-Nano Mission Postdoctoral Fellowship in Nano Science and Technology for pursuing research in frontier areas of Nano Science & Technology. This highly prestigious fellowship is tenable in Research Institutions/Universities including non-profit R & D institutions anywhere in India.
