कार्यालय आदेश/Office Order No. 01/2024

Sub.: Committee to review the Research Publication requirement in the discipline of Mathematics in HBNI - reg.

The UGC's regulations (7th November, 2022) governing minimum standards and procedures for the award of PhD degrees are silent on the number of research publications required for the award of a Ph.D. degree. The 32nd Academic Council in its meeting held on 3rd June, 2023 deliberated on the matter related requirement of Research Publication for the award of a Ph.D. degree in HBNI and recommended retaining the present publication requirements. The Convener, BoS in Mathematical Sciences in the 33rd meeting of the Academic Council held on 4th December, 2023 raised the issue again citing that journal publication in the Mathematical Sciences is a protracted process. After deliberations, the Council suggested the constitution of a review committee to assess the Research Publication requirement in the discipline of Mathematics in HBNI. Accordingly, a review committee is constituted as follows:
