CIRCULAR

Sub: Functioning of PATHSHALA Webportal (http://pathshala.anunet.in)

Ministry of Human Resource Development (MHRD), Government of India has introduced digital initiatives for higher education through 17 points action plan for all the universities in the country to facilitate better functioning and improvement of academic standards. Some of these includes digital library, e-learning, digital and smart campus etc.

As a part of this action plan, Homi Bhabha National Institute has initiated the web portal 'PATHSHALA' to provide courseware in the form of e-lectures, video lectures, E-notes etc to the students. The mission of Pathshala is to enhance the quality of education in HBNI by providing free intranet courseware.

Pathshala provides E-learning through intranet video course in Engineering, Science and Humanities stream. At present some basic video lectures, and NPTEL video lectures are made available to the students on Pathshala. In future, HBNI is planning to facilitate more courseware, lectures, classroom lectures through Pathshala.

All Dean Academics, Dean (Students Affairs) and Nodal Officers in the various Constituent Institutions and Off-Campus Centre of HBNI are requested to give wide publicity to 'PATHSHALA' among the student fraternity and encourage students to avail benefits of this.

PATHSHALA can be accessed through http://pathshala.anunet.in
