# **Homi Bhabha National Institute**

## **Feedback from stakeholders**

### **I. Preamble:**

The Homi Bhabha National Institute (HBNI) is a unique Deemed-to-be University, offering academic programs in 11 different institutions. The students of HBNI come from a variety of backgrounds, and from different states; they pursue programs as diverse as M.Sc (at NISER and HRI), Ph.D (at several CIs/OCC), M.Tech (at BARC, IGCAR, RRCAT, VECC and IPR) and D.M (at TMC). Nearly 20 to 25% of the students are employees of DAE. The motivation, and the expectation of such employee-students is naturally different from students who join HBNI to acquire a degree/diploma and move further into academic / professional career. Also, many HBNI students pursue basic research in a variety of disciplines, while others pursue research programs that have a vector towards applications. While some of the students mainly use computational facilities, others use complex experimental facilities including mega facilities like nuclear reactors and accelerators. HBNI also has programs that address skill development, and programs that have direct benefit to society (eg. Cancer research).

Considering such diversity of students and programs, as a part of its quality initiatives, it is important that HBNI obtains, on a regular basis, feedback from its various stakeholders. This will ensure that the programs, processes, infrastructure, facilities and environment in its Central Office as well as the CIs/OCC are conducive to a healthy growth and also ensure that HBNI is able to meet the objectives with which it was established. With this in view, a feedback survey was conducted among a) students b) faculty c) parents and d) alumni. This report analyses the feedback and also the action taken / proposed to be taken by HBNI based on the feedback.

### **II. Methodology**

The stakeholders were requested to provide the feedback, online, based on a set of specific questions. These questions were based on the specific domains where the feedback from the stakeholder will be of high value. The stakeholders were requested to give marks

ranging from 0 (strongly disagree) to 4 (strongly agree). Considering the diversity with regard to programs and processes, the stakeholders also had the option of marking “Not applicable” where necessary. The feedback was obtained online, and the data were summarized in the form of an excel sheet for discussion and analysis. The response given by all stakeholders of a particular category (student/ faculty/ alumni/ parent) was averaged. A score of 0-1 was treated as “Unsatisfactory”, 1-2 as “reasonably good, needs improvement”, 2-3 as “very good” and 3-4 as “excellent”.

## Feedback from Faculty members

- Q1. Selection of students for the academic programs is broad-based and good quality of students are enrolled.  
 Q2. The academic calendar is followed meticulously.  
 Q3. The courses offered are stimulating & broadening and help in improving overall domain knowledge. Q4. The curriculum is being updated periodically.  
 Q5. The curriculum provides necessary foundation for further career advancement including employment.  
 Q6. Associated projects and tutorials are useful.  
 Q7. The courses have appropriate balance of theory, applications and practicals.  
 Q8. Students have adequate choices in elective and value addition courses.  
 Q9. Teachers have adequate freedom to adopt new methods of teaching and examination such as group discussions, open book exams, etc.  
 Q10. The examination system of the course does not put in any undue stress on the student.  
 Q11. Adequate availability of ICT resources (eg. Computer, Internet, projector..) in classroom.

# Alumni Feedback

Timestamp	Name of the CI/OCC	Discipline	Year of award of degree	Admission procedure and formalities were transparent and hassle free	Teaching and research guidance helped me to complete my academic programme successfully.	The courses offered were stimulating and broadening & helped in improving overall domain knowledge and personality.	The curriculum provided necessary foundation for further career advancement including employment.	Associated projects and tutorials were useful.	The courses had appropriate balance of theory, applications and practicals.	I had adequate choices in elective and value addition courses.	The examination system of the course did not put in any undue stress.

Timestamp	Name of the CI/OCC	Discipline	Year of award of degree	ICT resources (eg. Computer, Internet, Projector...) were available in class room.	The environment in the university was conducive to teaching and research.	State-of-the-art research facilities and library were available to me.	Faculty and administration were very supportive.	The academic processes in the university are followed in a transparent and unbiased manner.	Decision on academic processes are conveyed without undue delay.	My organisation as well as university were receptive to my suggestions.	I will recommend HBNI as an Higher Education Institute of high value.	Total
