Please refer email dated 25.09.2019 and subsequent meeting we had with respect to subject matter. The information called for is as follows:

Metric No	Remarks
4.4.1	Information provided vide attached Annexure A&B as advised.
4.4.2	N.A.
6.4.1	BARC is multi-disciplinary and multi-scale R&D Organization of Central Government. R&D efforts are focused towards fulfilling its mandate of indigenous nuclear power program and various other peaceful applications of nuclear energy based on national needs of the industry, society and national security.  Accounts of this unit maintained as per the prescribed rules and procedures of Government of India are audited regularly by two agencies viz. Internal Inspection Wing of DAE and AEAP(C&AG). The observations/suggestions given by Audit are invariably complied by this Organization.
6.4.2	N.A.
6.4.3	The proposal for annual requirement of funds duly concurred by IFA & approved by Director, BARC is submitted to DAE who in turn arranges funds from Ministry of Finance, Govt. of India, for the R&D activities of this organisation. Subsequent to allocation of funds, the expenditure is incurred limiting the same to the approved budget allocation.

This is seen by IFA.
